With this funny bone you will be able to laugh at your own jokes. It actually laughs when you press it in the right spot.

PKP/1194 - \$20.00

Holey Bible

Very funny gag when doing ministry presentations. It is a foam bible that has holes drilled into the inside pages. These holes also offer a place to put different sight gags. ie: Red C, the book of numbers, etc

PKP/1205 - \$25.00

Pie In The Face Pie

Finally you can use the age old standard of, a pie in the face, without the fear of injury. Hitting someone with a pie has always been a dangerous bit of business. Now with "The Pie in Face Pie" most of the danger is eliminated.

"The Pie in Face Pie" is a 10 inch soft foam pie crust that cushions the blow of being hit with a pie. This means that you can hit a little harder making the foam fly with visual impact. You can use any filling for the foam but we recommend shaving cream. Shaving cream cleans up easier and looks very good when it flies. "The Pie in Face Pie" can be cleaned with clear water and dried to be used over and over. Get one today and put that standard comedy gag in your show with out fear of injury.

PKP1252 /\$25.00

Hurricane Hair Dryer

If you are looking for a CARTOONY prop, here it is. This hair dryer is gigantic and comes complete with an "electric" cord and plug. All you need is an outlet large enough.
